

FOR IMMEDIATE RELEASE**Linnovate Partners Establishes New Office in Kuala Lumpur, Malaysia**

March 13, 2023, Kuala Lumpur, Malaysia - Linnovate Partners, a leading technology-enabled asset service provider specializing in alternative investments, is pleased to announce the opening of its new office in Kuala Lumpur, one of the fastest-growing cities in Asia and the largest city in Malaysia.

The new location is the latest addition to Linnovate Partners' growing network of offices around the world as the group expands its global footprint. Located on Level 30, The Gardens North Tower, Mid Valley City, Lingkaran Syed Putra, 59200 Kuala Lumpur, the new office will leverage Linnovate Partners' wealth of global resources and extensive industry expertise to offer a comprehensive suite of fund services and solutions in the region.

Commenting on the expansion, Henry Lin, Founder and CEO of Linnovate Partners said, "We have seen an overwhelming increase in opportunities from private equity, venture capital and real estate funds over the last several years, so this naturally led to the opening of our new office in Kuala Lumpur." He continues, "This expansion is a testament to our commitment in providing exceptional services to our clients worldwide. With our global resources and decentralized global team, we are well-positioned to work more closely with clients in the Southeast Asia region, providing them with the personalized attention they need to succeed in today's fast-paced business world."

Linnovate Partners has been providing fund administration and investor relations services to private equity, venture capital, and real estate firms since 2016. The company's services include fund accounting, portfolio monitoring, regulatory reporting and fintech solutions consultancy services. Linnovate Partners has a global footprint, with offices in Hong Kong, Beijing, Shenzhen, Singapore, Silicon Valley, New York, London, and now Kuala Lumpur, and has a global team made up of highly skilled professionals in the finance industry.

"We are excited to expand our presence in the Asia-Pacific region with the opening of our new office in Kuala Lumpur," said Vivian Wong, Managing Director of Operations. "This expansion represents our commitment to providing our clients with the highest level of service and support, no matter where they are located. And because of our regional expansion, we will be adding new high-calibre talent to the alternative funds service team in Kuala Lumpur to support the delivery of quality services by our global teams."

With the opening of its new office in Kuala Lumpur, Linnovate Partners is poised for continued growth and success in providing quality service and cutting-edge technology in the alternative investment industry.
